

3 Rivers Brewery

Seasonal Ales 2009/10

Aquarian Ale 4.0% Feb & Mar

An amber ale brewed to reflect the unique qualities of this most inventive sign of the zodiac which is complimented by the use of crystal rye malt. The delicate blend of grains extenuates the reddish hue within the ale and provides a prominent bitter finish for a satisfyingly tasty beer. *Very more-ish!*

Delta Dark 5.0% Apr & May

A classic seasonal ale, specifically brewed for CAMRA's "Mild Month of May". This is unusually strong for its type, possessing a rich, satisfying body and an easy drinking character which belies its strength. Brewed with English malted barley and English Fuggles hops, it delivers a very smooth taste with hints of liquorice and caramel.

Summer's Pearl 4.0% Jun & Jul

A light golden ale brewed with Challenger and Styrian Goldings hops. Summer's Pearl has a malty character with a prominent citrus finish. Excellent for those hot and hazy summer nights.

King Kriek 5.0% Aug & Sep

This strong ale is our take on Belgian style fruit beers. A light bitterness is enhanced by the addition of an abundance of fresh, ripe, juicy cherries. A huge favourite.

Old Smokey 4.8% Oct & Nov

The use of a high proportion of Bavarian smoked malt imparts a delicious smokey character to this much loved, amber coloured ale. A dry and light bitter finish produces a well rounded beer. An ideal accompaniment for those cold, smoky, bonfire nights.

Yummy Figgy Pudding 7.5% Dec & Jan

A bronze medal in the regional finals at the CAMRA National Winter Ale Festival for 2008 was recently bestowed on this surprisingly strong Christmas ale. 'Yummy' continues to grow in popularity and reputation year on year. This exceptional Christmas winter ale is loved by connoisseurs and enjoyed by enthusiasts alike. Guaranteed to bring a rosy glow to the cheeks of most discerning drinkers, a selection of spices and English hops produces a delightfully warming brew, balanced with spoonfuls of plump fruit character. An ideal ale for *any* occasion – yet every sip reminds you of Christmas day.

Other speciality ales

Murphy's Law 4.5%

This golden ale has a noticeable bitterness produced by the sole use of target hops - a mesmerising beer for hop lovers. The beer is a firm favourite and is repeatedly requested by discerning drinkers everywhere.
